The Department of Applied Economics V of the University of the Basque Country and the Cambridge Centre for Economic and Public Policy, Department of Land Economy, of the University of Cambridge, are organizing the 9th International Conference Developments in Economic Theory and Policy. The Conference will be held in Bilbao (Spain), the days 28th and 29th of June 2012.

Although papers are invited on all areas of economics, there will be three Plenary Sessions with Invited Speakers about the following topics:

- Economic Policies, Governance and the New Economics
- The Economics of the Financial Transactions Tax
- The Governance of Natural Resources

Suggestions for Organized Sessions are encouraged. An Organized Session is one session constructed in its entirety by a Session Organizer and submitted to the conference organizers as a complete package. A proposal of an Organized Session must include the following information:

- Title of the session, name and affiliation of the session organizer, name and affiliation of the person who will chair the session (if different than the organizer).
- Titles of the papers (3-4 papers), name, affiliation and contact information of the authors.

Besides Plenary, Organized and Normal Parallel sessions, there will also be Graduate Student Sessions. In these sessions, students making a MSc or a PhD programme can present their research and discuss that of other students. Participants in the Graduate Student Sessions will pay a lower conference fee.

The deadline to submit Papers and 'Organized Sessions' is 25th May 2012.

The Journal *Panoeconomicus* (<http://www.panoeconomicus.rs>) will publish a special issue with papers presented at the conference. Papers of high quality will be considered for this special issue. All submitted papers will be considered for this issue. The selection of the papers will be made by the Scientific Committee of the Conference. The final decision about the papers to be published will be subject to a process of anonymous evaluation.
